

Обратные прокси

Если используется обратный прокси типа Nginx proxy manager, то:

В `configuration.yaml`

http:

```
use_x_forwarded_for: true
```

```
trusted_proxies:
```

- 10.0.0.200 # Add the IP address of the proxy server
- 172.30.33.0/24 # You may also provide the subnet mask
